Dear Neighbors,

On Tuesday, the Los Angeles County Board of Supervisors certified the March 2020 election results and I want to express how grateful I am for the opportunity to represent our neighborhoods for the next four years.

Thank you

Serving as your City Councilmember is a responsibility I do not take lightly. If these last 3 elections have shown me anything, it is how truly diverse the Twelfth District is. And not just racially and socio-economically diverse, but diverse in thought. I know there are many in CD12 who have different views on the problems our communities are facing and how best to handle them, but we all have in common a love for our community and a desire to improve the quality of life for ALL of our residents.

In the years to come, I look forward to hearing from each of you. My door is always open and I welcome your input as we work together to arrive at the best, most innovative, and creative solutions to the City's toughest problems.

Seeking common ground is more important now than ever as we face the worst public health crisis in modern times. There is much work ahead, but I am confident that we will do it the way CD12 has always done it...together.

Sincerely,

**JOHN S. LEE**

Councilmember, 12<sup>th</sup> District
